Objectives:

- Prepare students to be global citizens
- Create a network to share resources for CTE classrooms
- Connect language and culture (CTE & WL)
Why do we need to prepare students to be global citizens?
To compete, connect, and collaborate internationally.

They must have the capacity and disposition to understand and act on issues of global significance.

How can we prepare our CTE students to be global citizens?
By creating a network to share resources for CTE classrooms.

- Websites, webinars, workshops, conferences, etc.
